

How do I login to the Total Package2?

- Use the default login for Start Up only.
 - Company ID – 0000
 - User ID – guest
 - Password – guest
 - Data Location - Default

The screenshot shows the login interface for Total Package II. On the left is the logo with 'TP² Total Package II' and 'Version# 10.1.2009.1'. The main area is titled 'Login' and contains three input fields: 'Company ID' with '0000', 'User ID' with 'guest', and 'Password' with 'xxxxxx'. A 'Log In' button is below these fields. To the right, under 'My Data Location', there is a dropdown menu set to 'Default' and a 'Browse' button.

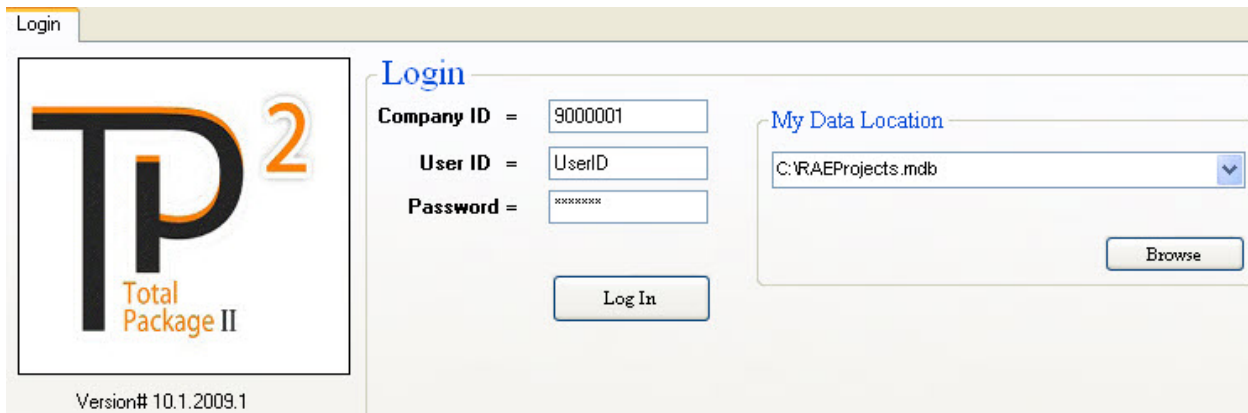

- Use the login information provided by RAE via email.

The screenshot shows an email window with the subject 'Your New Total Package Information'. The body of the email contains the following text:

Your Company ID is 9000001
Your User ID is UserID
Your Password is Password

Thanks for using the Total Package 2 from RAE Corporation!

This screenshot shows the same login interface as the first image, but with the values updated based on the email. The 'Company ID' field now contains '9000001', the 'User ID' field contains 'UserID', and the 'Password' field contains 'xxxxxxx'. The 'My Data Location' dropdown menu is now set to 'C:\RAEProjects.mdb'. The 'Log In' and 'Browse' buttons remain visible.
